Editor-in-Chief
The R Journal

Dear Catherine Hurley,

Thank you for taking our submission (2023-12) into consideration. We thank both you and the reviewer for your time.

Please find attached our revised article (“Computer Algebra in R Bridges a Gap Between Mathematics and Data in the Teaching of Statistics and Data Science”).

We have addressed all the reviewer’s comments in the file `letter_of_rebuttal.md`.

Kind regards,
